Hardware has a one time installation cost of \$120. Komfort Membership is per system (up to 5 tons). Plans with a Lifetime RKM HVAC Repair Guarantee covers RKM-supplied parts and labor for qualifying repairs paid in full. Manufacturer warranties, new equipment, compressors, heat exchangers, refrigerant, filters, bulbs and other consumable components are excluded. A 1-year commitment is required. All plans auto-renew. Cancellation voids all unused visits, vouchers, credits, and the Lifetime Repair Guarantee. Annual payment waives the one-time setup fee of \$120. Continuous membership without lapse is required to maintain all benefits.
